Application Procedure

The CICA, Inc. Scholarship Program is reserved for high school seniors of West Indian descent who are highly motivated and intend to pursue undergraduate degrees full-time. The program was developed by CICA, Inc. to provide financial assistance to students in the United States of Caribbean descent.

Established in 2002, the Program is funded by a combination of fund-raising events and donations. The Program will further CICA's goal of uniting the Charlotte Community and the Caribbean Community through scholarships, mentoring, and volunteerism.

GUIDLINES

Each year, a total amount of \$2,500.00 will be awarded to a maximum of five (5) students with each student receiving a minimum of \$500.00. The recipients may use the funds toward any college-related financial obligations during their first year in College. CICA Scholarships are not limited to any specific field or career objectives and may be used to pursue any academic discipline. Several students have received CICA Scholarships since the inception of the Program.
